

Spatial potential field on scene 0267_840790

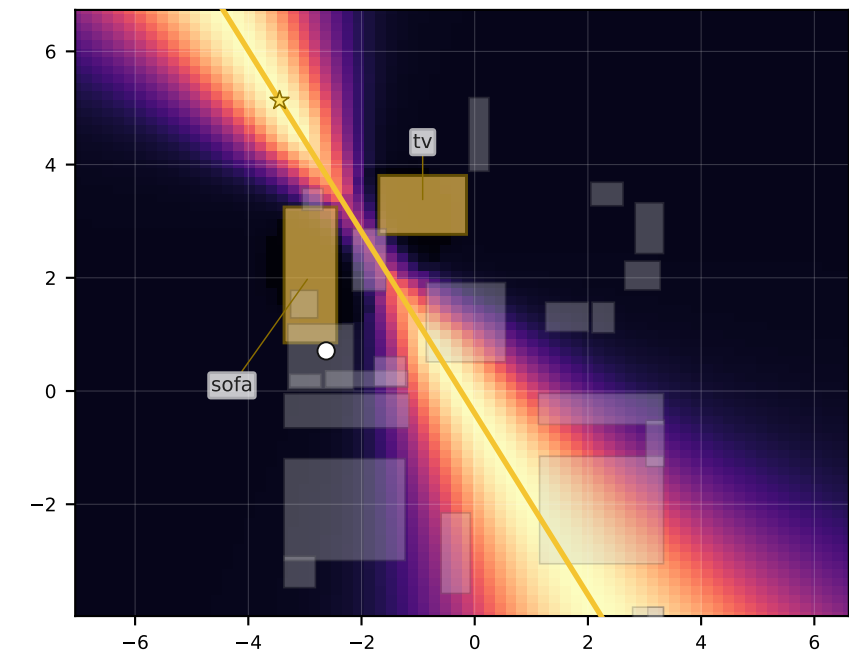

Absolute positioning
Move to any position 1.5m from smoke lampblack machine

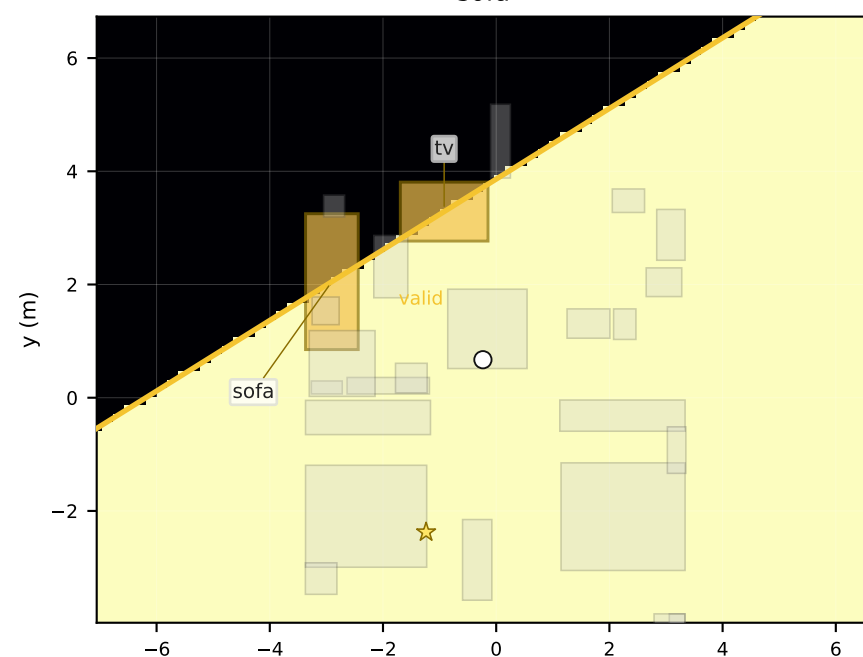

Look-at heading, geometric score. Gray boxes are other furniture.
Delta control
Move 0.5m toward toy_animals

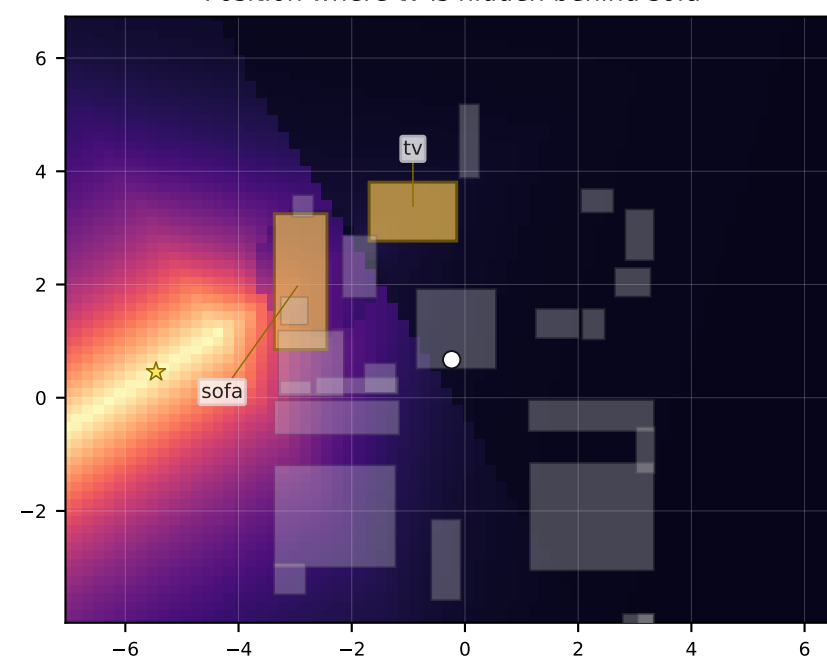

Equidistance
Move to any position equidistant from tv and sofa

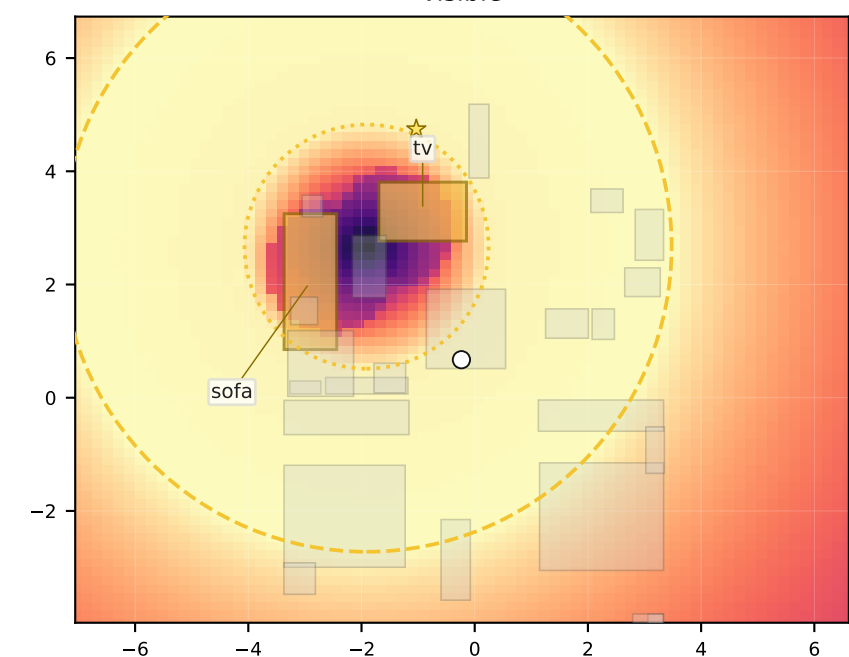

Projective relations
Position where tv appears to the left of sofa

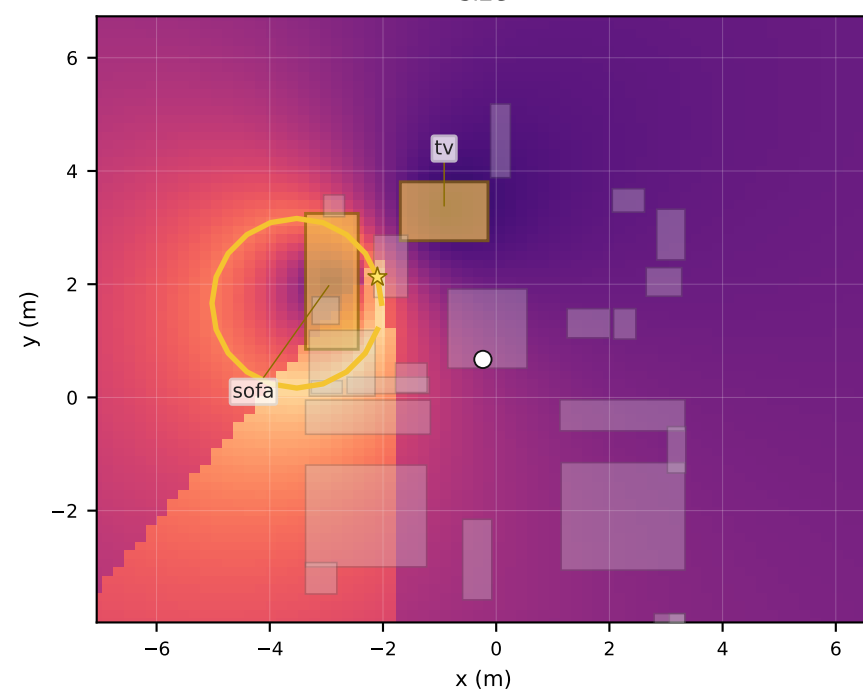

Occlusion alignment
Position where tv is hidden behind sofa

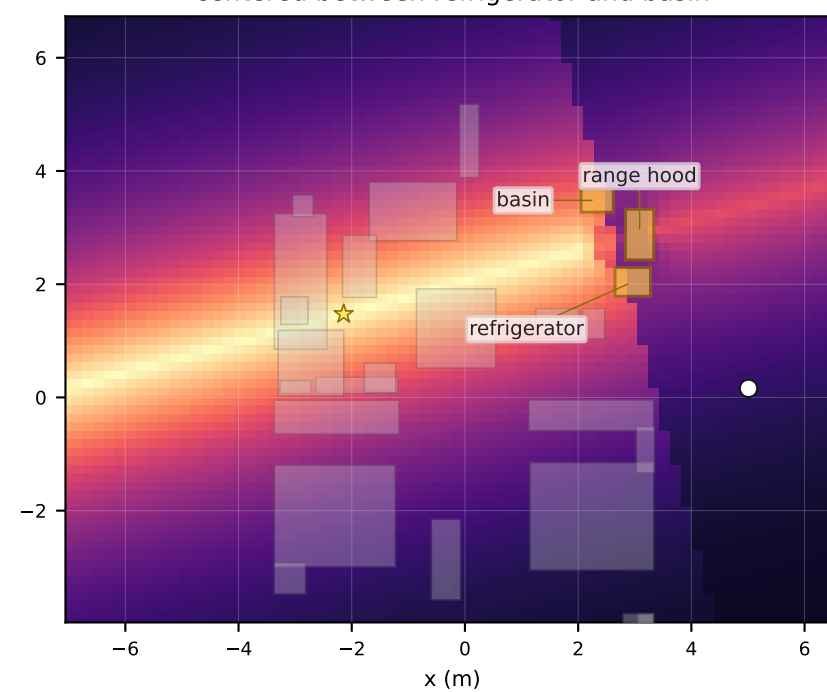

FoV inclusion
Position where both tv and sofa are visible

Size-distance invariance
Position where tv and sofa appear same size

Centering
Position where smoke lampblack machine is centered between refrigerator and basin

Screen occupancy
Position where smoke lampblack machine occupies 20% of vertical FoV
